FOR CUSTOMERS:

OPERATING INSTRUCTIONS: LUMSON S.P.A PORTAL FOR GOODS LOADING SLOTS BOOKING

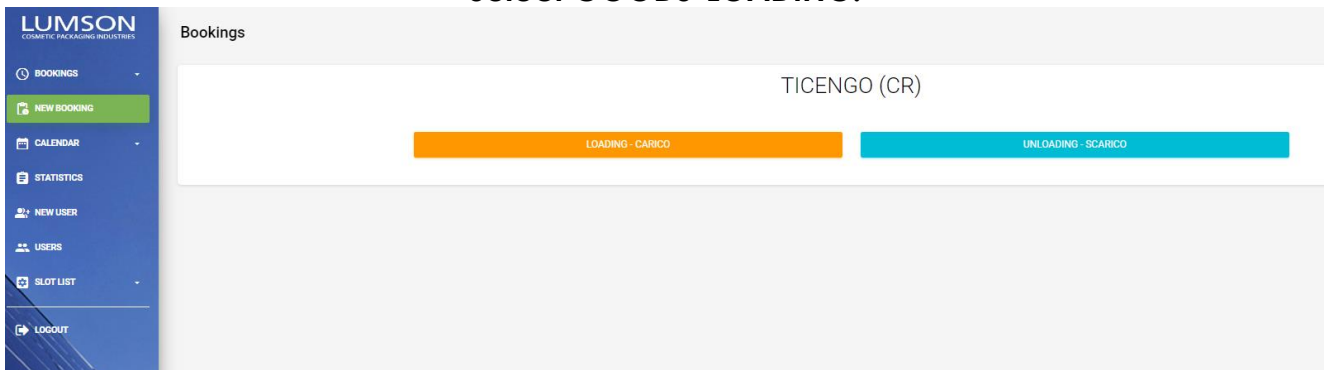

Once you receive the packaging data from our Customer Service Department, you can access our portal with your credentials. In the email you will find the link to get access to.

On your portal page click on **NEW BOOKING**

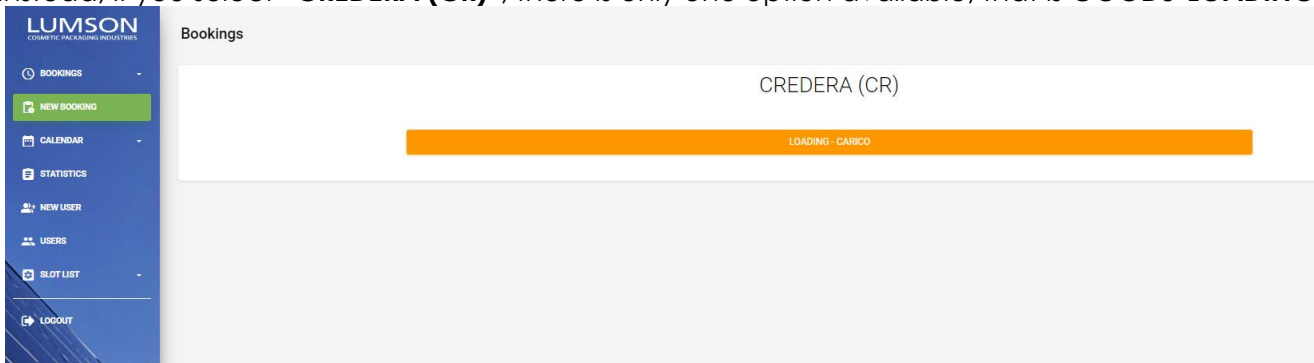

Select the warehouse where the goods are stored.
If you select "**TICENGO (CR)**" or "**SANTA MARIA DI SALA (VE)**",
the portal will ask you if you need to load or unload goods.

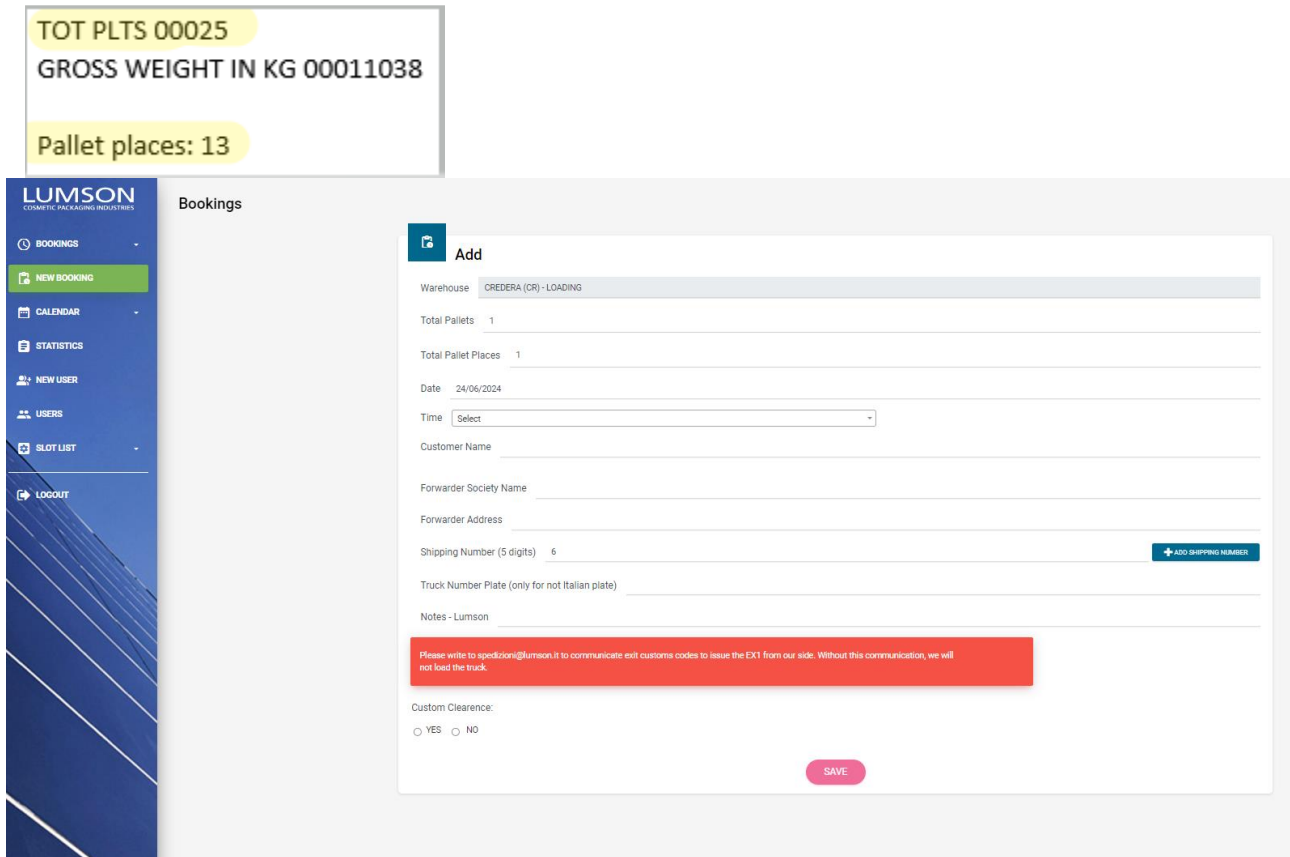

Select **GOODS-LOADING**:

Instead, if you select "**CREDERA (CR)**", there is only one option available, that is **GOODS-LOADING**:

In the following view in the first line, you will see the name of the warehouse you chose:

Compilation instructions:

TOTAL PALLETS: Please indicate the number of ready pallets communicated by our Customer Service Department. You can find this data in the selection of the email in the section above.

TOTAL PALLET PLACES: Please indicate the number of pallets places communicated by our Customer Service Department. The system will assign the availability according to the pallets places you have indicated. You can find this data in the selection of the email in the section above.

- **CAUTION:** The calculated loading time is the following:
 From 1 to 15 pallets places: the system will assign a 30-minute slot
 From 16 pallets places on: the system will assign an hour slot

DATE and TIME: Please select the date in which you will collect the goods and the portal will assign you the available times of loading according to the indicated number of pallets/ pallets places.

CAUTION: If you receive more than one mail with different shipping numbers, you must indicate all of them in the **ADD SHIPPING NUMBER** entry.

Lumson Shipping Number (5 digits)

Truck Number Plate (only for not Italian plate)

Notes - Lumson

Please write to spedizioni@lumson.it to communicate exit customs codes to issue the EX1 from our side. Without this communication, we will not load the truck.

Custom Clearance:

YES NO

SAVE

TRUCK NUMBER PLATE: The field must be indicated only for international foreign trucks.

CUSTOM CLEARANCE:

Select **YES** or **No** depending on whether the shipping is subject to customs or not.

Click on **SAVE** and you will receive an email of booking confirmation with a serial number. This serial number + the “Lumson shipping number” must be communicated to the driver who will present himself for the loading.

Failure to provide these references will lead to a delayed loading, thus losing the reserved slot.

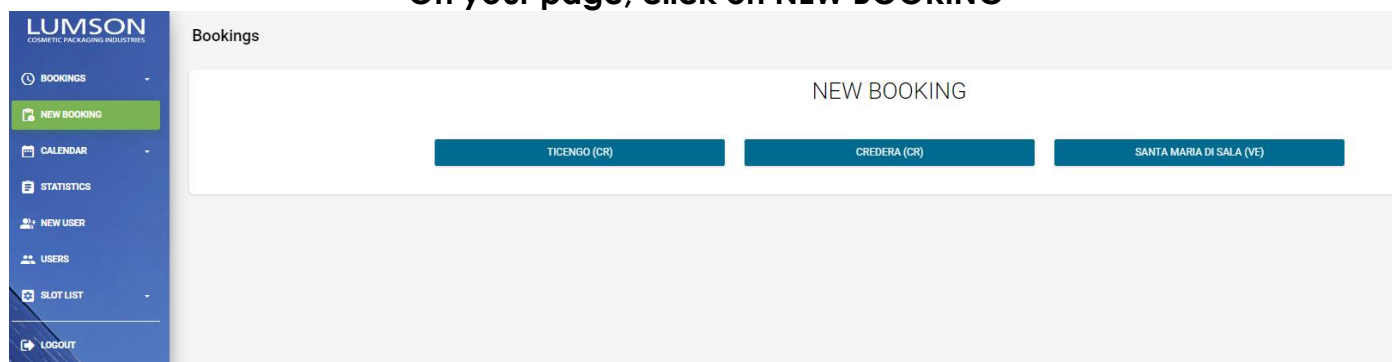

FOR SUPPLIERS:

OPERATING INSTRUCTIONS: LUMSON S.P.A PORTAL FOR GOODS UNLOADING SLOTS BOOKING

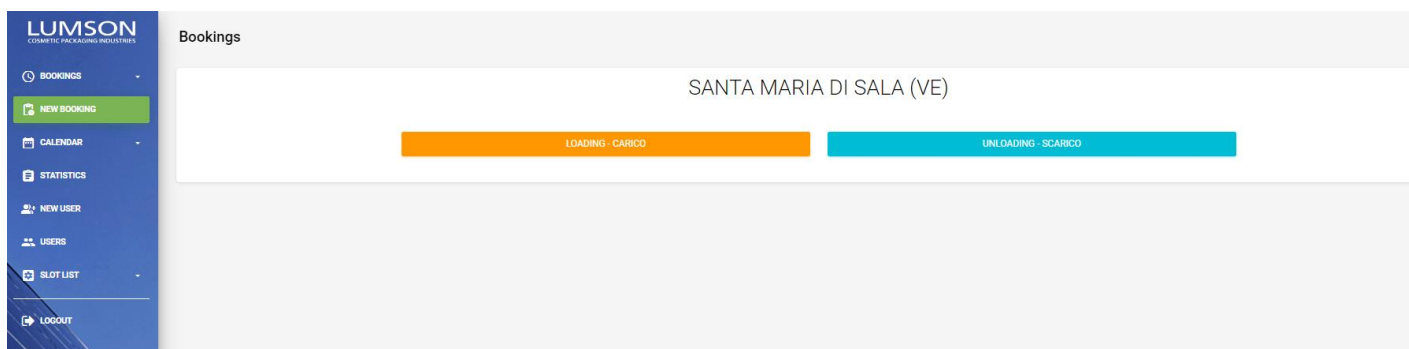

To book the goods unloading being delivered to Lumson warehouses of **TICENGO** and **SANTA MARIA DI SALA**, you will have to access the portal with your credentials on the website:

<https://booking.lumson.com>

On your page, click on **NEW BOOKING**

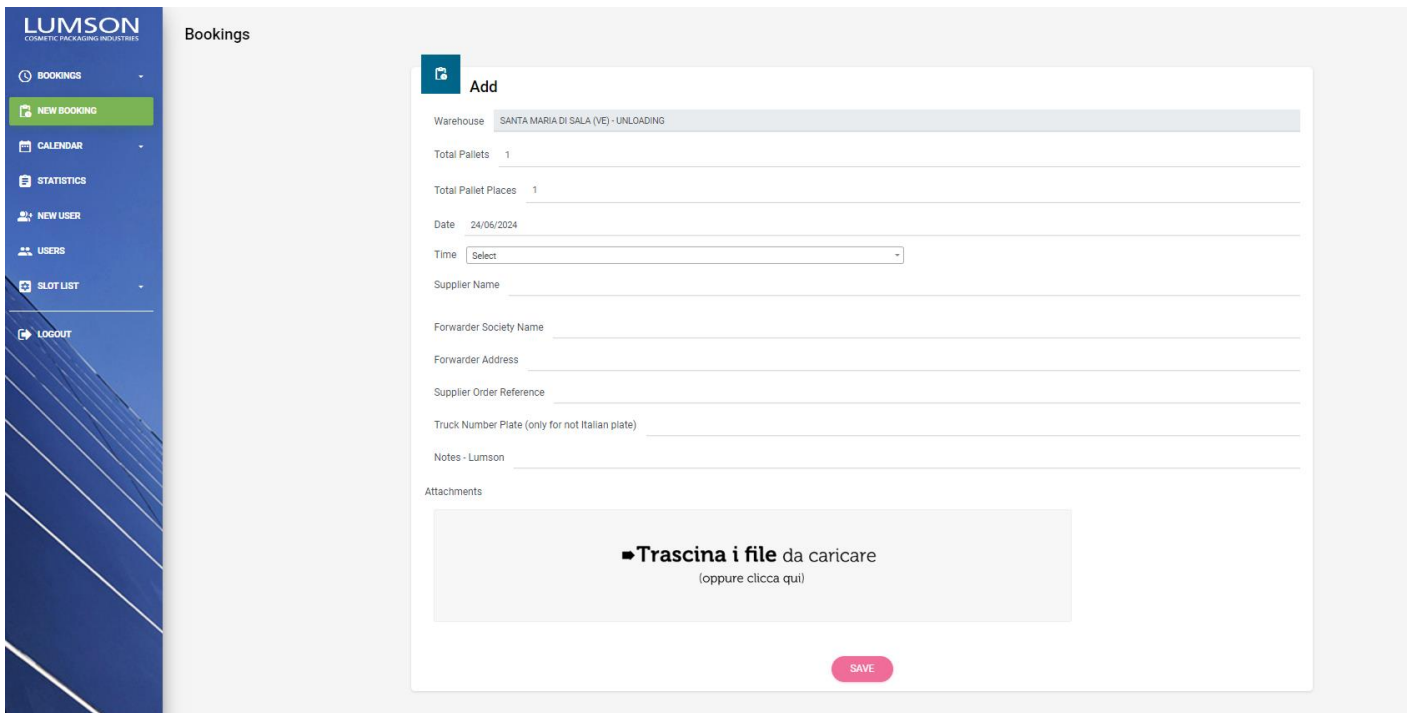

And select the warehouse in which you have to deliver the goods between **TICENGO** and **SANTA MARIA DI SALA**.

Select **UNLOADING**.

In the following view in the first line, you will see the name of the warehouse you chose:

TOTAL PALLETS: Please indicate the number of pallets you have to deliver.

TOTAL PALLETS PLACES: Please indicate the related number of pallets places.

DATE and **TIME:** Please select the date in which you will collect the goods and the portal will assign you the available timetable of loading according to the indicated number of pallets/ pallets places.

SUPPLIER NAME: Please indicate the name of the supplier.

► **Trascina i file** da caricare
(oppure clicca qui)

Click on **SAVE** and you will receive an email of booking confirmation with a serial number.

This serial number must be communicated to the driver that will present himself to the loading.

The field **SUPPLIER ORDER REFERENCE** and **ATTACHMENTS** are not mandatory, but failure to fill them in might lead to delays of the unloading vehicle.

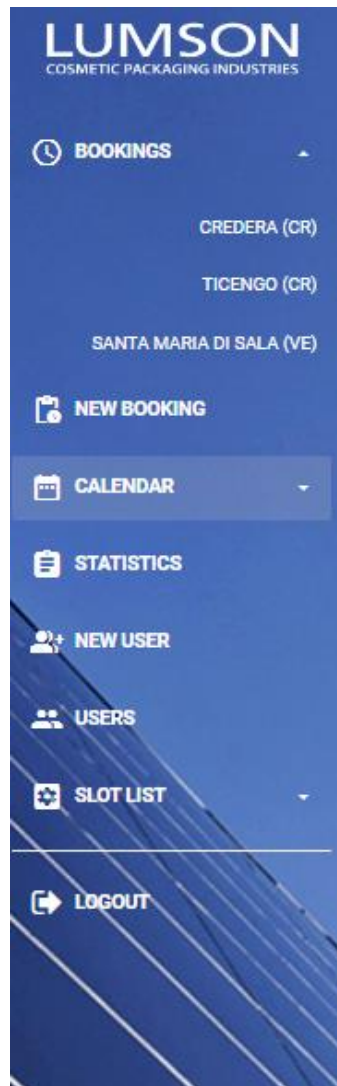

Total failure to provide these references during the unloading time will lead to a delayed unloading, thus losing the reserved slot.

In the **CALENDAR** section you can see the slots linked to your account booked in the selected month/week/day, divided by warehouses

The slots can be booked, cancelled or changed **NO LATER** than **4.30 p.m.** on the day prior to pick-up/delivery.

For changes and cancellations, select the **BOOKING** page and select the warehouse where you have booked.
